

Greetings Marines, Sailors, and Civilian Marines,

The Combined Federal Campaign (CFC) has a long history of providing Federal Employees with an easy and effective means for supporting charitable organizations. Since the CFC's inception in 1961, the CFC has raised nearly **7.7 billion dollars**, benefiting more than 24,000 participating charities. In 2015, federal employees raised 177 million dollars for charitable organizations around the world. There are more than 2,900 Local, National, and International Charitable Organizations participating in the 2016 campaign.

Last year, we in the Onslow County CFC, contributed more than 617,300.00 dollars to charities near and far. This reinforces our far-reaching commitment and dedication to our community. With continued support from both our donors and volunteers, we are **changing lives!**

The Onslow County CFC is committed to offering employees the opportunity to support the charitable causes that mean the most to them. By choosing how much and which charity will benefit from your generosity, **you ARE changing lives!** Every gift, no matter the amount, has the power to make a difference.

Together we can make this 2016 campaign a monumental success. Semper Fi!

Sincerely,

T. D. Weidley
